

ESSENTRA
EXTRUSION

Press release:

Acquisition Inter Primo A/S - Essentra Extrusion B.V.

Buitenpost, 11th of June 2019

Today Essentra Plc and Inter Primo A/S announced the sale of Essentra Extrusion to Inter Primo A/S.

Acquisition will strengthen forces and offers opportunities for growth

“The acquisition of Essentra Extrusion B.V. fully matches our growth ambitions. By combining our strengths, we can serve our customers even better and expand our market share”, said Claus Tønnesen, CEO Primo.

“In common we have a passion for plastic extrusion. We are very happy with this acquisition”, said Han Schootstra, Managing Director Essentra Extrusion B.V.

About Inter Primo

The Inter Primo Group consists of more than 10 extrusion companies throughout Europe and in China, with a total turnover of approximately €150 million and 1.100 employees.

The integration of Essentra Extrusion in the Primo Group is a logical next step within the strategy to strengthen Primo’s position worldwide.

About Essentra Extrusion

Essentra Extrusion is a true pioneer in the field of plastic profiles. Originally founded in 1938 under the name Enitor. In the early years, we concentrated on producing bicycle parts. In 1956, we were one of the first companies in the Netherlands to utilise the advantages of extrusion.

The power of expertise:

Today, we are considered to be an authority in the field; not just because of the production of plastic profiles, but also because we are a knowledge centre. Our knowledge centre is located in the Buitenpost facility.

About Essentra Plc

Essentra Plc is a supplier of plastic and fibre products. The company operates internationally from headquarters in Milton Keynes, Buckinghamshire. It is listed on the London Stock Exchange and is a constituent of the FTSE 250. It has four global divisions: Components, Packaging, Filters and Specialist Components. Founded in the late 1940. Essentra is active in 33 countries. More than 8500 people work for Essentra around the world.
